The Sioux Falls VA (Department of Veterans Affairs) Health Care System is teaming up with several area Veterans Service Organizations to host the second annual Veterans Information Fair & Community Open House on November 1, 2011. This event will be held at the Sioux Falls VA Medical Center at 2501 W. 22<sup>nd</sup> Street from 5:00 – 7:00 PM.

The purpose of the outreach fair is to provide education about a variety of VA health care services, eligibility, compensation benefits, and career opportunities. It is especially an opportunity for Veterans who currently do not use VA to learn more about “the best care anywhere.” Veterans Service Organizations such as the American Legion, South Dakota Dept. of Veterans Affairs, Veterans of Foreign Wars, and the Disabled American Veterans will be available for assistance. In addition, health screenings and tours of the medical center will be available. Refreshments and child care services will also be furnished.

All Veterans, their families, and other interested parties are invited and encouraged to come. For flyers, brochures, or more information, please contact Shirley Redmond, Public Affairs Officer, at 605-333-6889.

Media is invited and encouraged to attend.
