FOR IMMEDIATE RELEASE

March 1, 2011

The Sioux Falls VA Medical Center invites area residents to an All Veteran Art & Craft Show March 2, 2010 from 10:00 AM – 5:00 PM in the fourth floor auditorium of the medical center.

“This is a great opportunity for Veterans to display their artistic talents and demonstrate that there are no boundaries when it comes to art,” said Brenda DeGraw, *Help Hospitalized Veterans* Craft Care Specialist. Last year’s entries included photography, wood carvings, models, quilting, leather work, and paintings.

Participants are Veterans who receive all or a portion of their medical care from the Sioux Falls VA Medical Center or one of the Community Based Outpatient Clinics managed by the Sioux Falls VA Medical Center. These are located in Watertown, Wagner, and Aberdeen, South Dakota and Sioux City and Spirit Lake, Iowa.

Veteran participants will compete for prizes, and some of the entries will advance to the annual National Veterans Creative Arts competition

The program is organized by Brenda DeGraw, who can be reached at 605-336-3230, Ext. 4143.

Media is invited and encouraged to attend.
