

# SIoux FALLS VA HEALTH CARE SYSTEM PGY-1 PHARMACY RESIDENCY PRECEPTING TEAM

## PROGRAM DIRECTOR

### **Kelley J. Oehlke, Pharm.D.**

Kelley is the Residency Program Director and a Clinical Pharmacy Specialist in Ambulatory Care at the Sioux Falls VA Health Care System as well as an Adjunct Associate Professor with South Dakota State University College of Pharmacy. She graduated from the University of Nebraska Medical Center and completed a community pharmacy practice residency at Nishna Valley Pharmacy in Shenandoah, Iowa in collaboration with the University of Nebraska Medical Center College of Pharmacy. Kelley is active in pharmacy organizations and was named the South Dakota Society of Health-System Pharmacists “Pharmacist of the Year” in 2012, South Dakota Pharmacists Association “Distinguished Young Pharmacist” in 2006, and South Dakota State University College of Pharmacy Students’ Association “Teacher of the Year” in 2003. Kelley thoroughly enjoys working with Veteran patients and shares this passion with the residents and students that she precepts. Her primary interests include adult ambulatory care medicine and disease state prevention.

---

## PRECEPTORS

### **Robyn Cruz, Pharm.D., BCPS, BCPP**

Robyn graduated from South Dakota State University in May 2007 with a Doctor of Pharmacy degree. She then went on to complete a PGY-1 pharmacy residency at the Boise VA Health Care System in Boise, Idaho. Upon completion of her residency, Robyn transitioned back to South Dakota where she took a position with the Sioux Falls VA Health Care System. She has a passion for mental health and is currently practicing as a Clinical Pharmacy Specialist on the inpatient mental health unit, where she precepts the Mental Health learning experience. She is also the Inpatient Services Supervisor, overseeing all inpatient pharmacist and technician staff. Robyn enjoys being an active member of the South Dakota Pharmacists Association-Sioux Falls District, where she recently served two years as the Secretary/Treasurer, and the Community Action Committee. She is also a member of the South Dakota Pharmacists Association, American Society of Health-System Pharmacists, South Dakota Society of Health-System Pharmacists and College of Psychiatric and Neurologic Pharmacists. Her primary research interests are mental health, including substance abuse and other psychiatric disorders, and medication reconciliation.

---

### **Justin Metzger, Pharm.D.**

Dr. Metzger graduated from the University of Minnesota in May 2002 with a Doctor of Pharmacy degree. Upon graduation, he accepted a position at the Sioux Falls VA Health Care System as an Ambulatory Care Clinical Pharmacist. He has held numerous positions within the organization, including his most recent position as Assistant Chief of Pharmacy since 2011. His practice interests are ambulatory care and research.

**Erin Christensen, Pharm.D., BCPS**

Erin is a 2005 graduate from South Dakota State University College of Pharmacy. She completed a University of Iowa residency at the Siouxland Medical Education Foundation in Sioux City, IA. Erin started at the VA as a Clinical Pharmacy Specialist in Ambulatory Care in July 2006. In 2007 she obtained her Board Certification in Pharmacotherapy. She remains active within the South Dakota Society of Health-System Pharmacists as the current past-president.

---

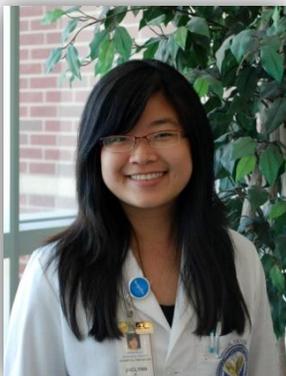

**Katie Schartz, Pharm.D., BCACP**

Katie attended South Dakota State University and graduated with her Doctor of Pharmacy degree in May of 2009. She then went on to complete a PGY-1 residency with a focus in Ambulatory Care at the William S. Middleton VA Medical Center in Madison, Wisconsin. After completing her residency in July 2010, Katie returned to South Dakota and took a position with the Sioux Falls VA Health Care System as a Patient Aligned Care Team (PACT) Clinical Pharmacy Specialist. She obtained her Board Certification in Ambulatory Care in 2011. Katie is interested in chronic disease management and currently works with patients who have hypertension, diabetes, dyslipidemia, hypothyroidism, and other chronic disease states in the Medication Management Clinic. She also manages a panel of Veterans receiving chronic anticoagulation therapy and participates in the Pharm-ED and Tobacco

Cessation clinics. Katie serves as an Ambulatory Care preceptor for PGY-1 pharmacy residents and VALOR students and often assists with precepting IPPE and APPE students from the SDSU College of Pharmacy.

---

**Jaclynn Chin, Pharm.D., BCPS**

Jaclynn received her Doctor of Pharmacy degree from Drake University in Des Moines, Iowa in May of 2007. She completed an ASHP-accredited PGY-1 residency in Ambulatory Care at the University of Minnesota/St. Cloud VA Medical Center in 2008 and then went on to obtain board certification in 2009. Currently, Jaclynn practices in the Sioux Falls VA Health Care System (SFVAHCS) as a Patient Aligned Care Team (PACT) Clinical Pharmacy Specialist. She is a preceptor for ambulatory care I-IV rotations in the SFVAHCS residency program. Apart from that, she also precepts IPPE and APPE pharmacy students in ambulatory care. Her practice/research interests include chronic disease management (e.g. diabetes, dyslipidemia, hypertension), anticoagulation, smoking cessation and improving access to

care for Veterans. Jaclynn is currently a member of American College of Clinical Pharmacy (ACCP), South Dakota Society of Health-System Pharmacists (SDSHP), and Rho Chi. In her spare time, she likes to play the piano, go for walks, visit with friends and play cards/board games.

**Annette M. Johnson, Pharm.D.**

Annette is a Clinical Pharmacy Specialist in Ambulatory Care at the Sioux Falls VA Health Care System and an Associate Professor of Pharmacy Practice with South Dakota State University College of Pharmacy. She graduated from South Dakota State University in 1999 before completing a general pharmacy practice residency at Mayo Medical Center in Rochester, Minnesota. She also went on to complete a residency in primary care with emphasis in family medicine at the East Des Moines Family Care Center in Des Moines, Iowa in collaboration with the University of Iowa College of Pharmacy. Annette is an active member in a variety of pharmacy organizations and has a love for teaching in the classroom and in her practice setting. Her primary interests include adult primary care, disease state prevention, and disease state management.

---

**Arin M. Adamson, Pharm.D.**

Arin is the Pharmacoeconomist and a Clinical Pharmacy Specialist in Ambulatory Care at the Sioux Falls VA Health Care System. A native Minnesotan, she graduated from South Dakota State University in 2006 with a Pharm.D. She returned to Minnesota to work as a Clinical Pharmacist at St. John's Hospital in Maplewood, MN for one year before accepting a position with VA in Sioux Falls as a staff pharmacist. She entered her current position in 2009, where she has the unique opportunity to be involved in the business aspect of pharmacy while continuing to serve Veterans through her ambulatory clinic. Arin's interests include traveling, golfing, and outdoor activities.

---

**Julie Lindgren, RPh**

Julie has been a practicing pharmacist for over 20 years since graduating from South Dakota State University College of Pharmacy. Her background is in retail pharmacy and pharmacy management. She has worked for the Sioux Falls VA Health Care System for six years, where she is currently the Operations Supervisor. She is the preceptor for the outpatient pharmacy learning experience. Julie is currently working on her Masters of Business Administration with a Healthcare Management concentration.

**Scott Bebensee, Pharm.D., BCPS**

Scott Bebensee is a Clinical Pharmacy Specialist in the Community Living Center (CLC) at the Sioux Falls VA Health Care System. He graduated with his Pharm.D. from South Dakota State University in 2000, and has been employed at the Sioux Falls VA since 2002. Scott currently precepts the CLC learning experience. The CLC is a hybrid long-term care, subacute care, and rehab setting. Scott's professional memberships include the American College of Clinical Pharmacy, South Dakota Society of Health-System Pharmacists, and the South Dakota Pharmacists Association. He has been a Board Certified Pharmacotherapy Specialist since 2009. Scott was recently recognized as the 2011-2012 Sioux Falls VA Health Care System PGY-1 Residency Preceptor of Year.

---

**Andrea N. Carder, Pharm.D., BCPS**

Andrea is an Inpatient Clinical Pharmacist at the Sioux Falls VA Health Care System and precepts the Acute Medicine I and II learning experiences. She graduated from the University of Nebraska Medical Center and completed a pharmacy practice residency at the VA Sierra Nevada Health Care System in Reno, Nevada. Her practice interests include critical care and internal medicine. In her free time, Andrea enjoys traveling, being outdoors, and spending time with friends and family.
