

**Are you visually  
impaired or  
legally blind?**

**Or, do you know a  
Veteran who is  
visually impaired or  
legally blind?**

**The Visual  
Impairment Services  
Team (VIST) can  
help!**

**Many Veterans are not  
aware of the help the  
VA can give to  
Veterans with visual  
impairments.**

**The VIST program ensures that Veterans are referred to services and programs that can assist with the adjustment to vision loss.**

**For example, if a patient loses some sight and wants to enjoy a book, they can use a magnifier, scanner or listen to a book on tape.**

**With the provision of the  
proper tools and training,  
Veterans with vision loss  
can learn to do for  
themselves!**

**All VIST services,  
including blind aids,  
are provided at no cost  
to the Veteran!!!**

**If you or someone you know is interested in VIST services, please talk to your doctor about a VIST referral or call Anna Perry at 605-333-6891.**
